Hello, Shea & PAYYAP.

We look forward to working with you and WIRECARD (your banking partner) -- delivering to Lykke a suite of traditional and 8th Channel payments at the effective rate discussed.

And per WIRECARD's underwriting policies, we are actively working to finalize our applicable financial services licensing, and expect to be ready for live transactions with you all in Q2 2017.

Warm regards,
Sergey Ivliev,
Co-founder & COO,
